Event Schedule and Networking Opportunities

This year's Construction Outlook Plus Continuing Education event will adopt an all-day format, beginning promptly at 11:30 AM. Throughout the afternoon, as continuing education classes are in session, vendors will have multiple opportunities to engage with architects. Additionally, to encourage interaction, an event passport program will be implemented. Architects who visit vendor tables will have the chance to collect stamps or signatures, and those who complete their passports will be eligible to win a grand prize.
