

CSI Spec-Hunt

Monday, November 3rd at SUNY ESF Campus

Room 167 Baker (Best Parking in Lot P17 – See Attached Map)

The Syracuse Chapter of CSI welcomes you to **CSI Spec-Hunt: Education for Students in the Construction Industry**. A fun and interactive activity for students and members of the construction industry to learn about the proper use of the other half of the construction documents: **Specifications**. This is a great opportunity to:

- **meet and greet fellow members of the construction team**
- **learn about new and exciting products and meet vendors**
- **use Specifications to their fullest advantage using the CSI Specification format.**

We are taking the event to the colleges. This year the Spec-Hunt will be at SUNY ESF. Students from local colleges such as Delhi, OCC, Syracuse U, and Utica U are invited to attend. All members of the Construction Industry are encouraged to attend.

Applications will be available to individuals wishing to join CSI.

6:00 – 6:20 Introduction to CSI and Construction Specification:

A PowerPoint presentation crash course in CSI and construction specifications.
Spec-Hunt Information and question sheets will be distributed.

6:20 – 7:45 CSI SpecHunt: Specifications Scavenger Hunt

Participants go around to different product tables and match the product (or assembly) with the questions for each product. This is a fun matching game for participants to learn and understand the relationship of products and specifications.

7:45 –8:00 Review of Questions and Presentation of Prizes and Awards for the Spec-Hunt

Review of questions and answers as a group.
Drawing for prizes and awards.

8:00 FREE food and refreshments will be served! Food sponsor provided by Marino\WARE
